Feb. 28, 2007

Denis Collins

Dear Denis,

Thank you for another unforgettable performance of ethics training. You are very good for our industry as well as you would be for any industry.

I think you are a very entertaining speaker and I would definitely want you back again at another WPCA conference.

Take care and thank you again.

A handwritten signature in black ink that reads "Rick Freye". The signature is written in a cursive, flowing style.
